CLOUD OF WITNESSES

What are Herds?

Every Wednesday night our middle school students come together for an evening of silly games, good friends, meaningful mentorships and deep connections with God. It is our goal to equip our students with the tools to thrive in faith even in the midst of the hard challenges they face at school, home, and with friends.

Herds are the heart and soul of the COW ministry!

WHEN: Wednesday Nights 7:00pm – 8:30pm

COWam

Students today are facing an unbelievable amount of obstacles in their faith. At COW we attempt to shape our teaching around how to respond to such challenges. On Sunday morning our students have a chance to hang out with their friends while also hearing a message aimed just for them!

WHEN: Sunday Morning 9am & 10:45am

SUMMER EVENTS

Camp COW: Each year we bring all of our incredible Middle School Students up to Baraboo Wisconsin for a week of Summer fun. We love challenging our kids to begin seeing their faith in a new way through great speakers, caring mentors and engaging activities! Make sure you plan ahead for this life-changing week!

COW Missions Project: Middle School students have a huge capacity to love those in need. Every year our middle school students have an opportunity to serve others on a week long missions trip. If your students seems hungry for more in their faith, bookmark this incredible week!

SPECIAL EVENTS

SLEEP OUT SATURDAY: Our overnight homeless challenge to raise awareness and funds for those in need.

COWEOKE: A night of fun and games for you and your friends!

COW Christmas Party: Put on your ugliest Christmas sweater and join us for a crazy COW Christmas extravaganza!

30HR FAMINE: Our 30 hour hunger challenge to raise awareness and funds for those in need.

STAMPEDE

Have you noticed that our middle schoolers schedules have gotten progressively more chaotic? Stampede is a chance to take a break from all the chaos to refocus on God and build meaningful friendships. Oh... and by the way we will be playing laser tag, watching improv comedy, tubing down an awesome snowy slope, ice skating, rock climbing, and of course diving into a frozen lake (if you want to of course)! Don't miss out on the highlight of your year!

WHEN: January 27- 29
