

# FORGIVENESS

Deciding that someone who has wronged you doesn't have to pay

BOTTOM LINE: God forgives you.

Read Colossians 3:13

DAY  
1

## Lost and Found

The story you heard this week was about a lost sheep. Remember that? So, find a piece of paper and draw a sheep on it. Then, ask someone in your house to hide the piece of paper while you close your eyes or go to another room. Once they are done, go on a search to find the lost sheep. If you can't find it ask someone to help you look. Know that just like you are searching, God also searches for anyone who needs to be found and given forgiveness.

DAY  
2

## The Disappearing Drawing

Our verse says that God forgave us. So today, on a piece of paper, draw a picture of one thing you have done wrong this week. Once you have finished with the drawing, ask God to forgive you of the wrong you have done. Then, take the paper, wad it up, and throw it away. Know that God has forgiven you and always will!

DAY  
3

## Prayer

"God, thank You for Your forgiveness. I know that I have done wrong and have hurt You. Please forgive of my wrongs and help me to do things your way from now on. Amen."

DAY  
4

## Copycat

Once every day this week, have someone read the Bible verse to you. Say it back to them just like they say it to you. Ask them to say it fast, say it slow, say it high, say it low. Know that this will help you remember to forgive one another.
